Second Grade Summer Reading Assignment

The following 3 books are required reading for the summer:

Arthur's Eyes By Marc Brown

Corduroy By Don Freeman

Amelia Bedelia By Peggy Parish

After reading all three books your child will also need to complete the following two projects on two of the books. Choose one book to use for each project.

1. The Diorama: create a scene from the story inside a shoe box. The box should be placed on its side, then using crayons, clay, construction paper, foam pieces etc. create the scene.
2. The Mobile: draw pictures of the characters, as well as the beginning, middle, and end of the story, and then hang them from a hanger or two sticks criss-crossed to create a hanging mobile of the story.

Completed projects should be sent in with your student on the first day of school to be given to their classroom teacher.
