Dear Parents,

Summer vacation is an opportunity for the children to learn away from school. You would probably be swimming, camping, or just hang out at home with your child. We are sure you have more on your agenda for the summer, but let us add another item on that list. Go to your nearest bookstore or library and pick two or more books from the list given below. Enjoy reading with your child. The books will be discussed with the children throughout the school year.

Summer Reading List:

BIG RED BARN by Margaret Wise Brown

THE RAINBOW FISH by Marcus Phister

THE VERY HUNGRY CATERPILLAR by Eric Carle

POLAR BEAR, POLAR BEAR, WHAT DO YOU HEAR? By Bill Martin Jr.

Have a great summer! See you in September!
