6th Grade Summer Reading Project

Dear Parents,

This summer the students of ALA will once again participate in the annual Summer Reading Program. The objective of this program is to stimulate the students' reading skills in order to prepare them for the next grade. Here is the assignment for the 6th grade class:

- A. All students are required to read the Book of James and then write a one-page essay describing how God wants you to live according to the Book of James.
- B. Students will select only one book from the following list and then create a poster advertisement for that book: Crispin, Secret Garden, Johnny Tremain, Anne of Green Gables, The Witch of Blackbird Pond, Little House On the Prairie, The Lions of Little Rock, or Abigail Iris-The One and Only.

These assignments are due on the first day of school and will count as major reading grades for the first marking period.

We pray you have a blessed summer! See you soon!

In His Service,

Your Sixth Grade Teachers
