tion performed and the talent of our students highlighted an excellent evening.

ALA thanks all our sponsors and of course our parents for the help and support you give. We are truly blessed to have

parents that are both involved and supportive of the ministry of Abundant Life Academy.

Math Team advances; Chess Club Forms

Congratulations to ALA's Math team on an excellent job at the NNJCSA Math Olympics. Matthew Lee had the second highest score and the team took 3rd place out of 9 schools. We appreciate

Mrs. Harvey, Mrs. Guiza and our two teachers from South Korea, Ms. Chong and Ms. Lim for training them.

The Chess Club began meeting this week

to learn the rules and fundamentals of chess. Next week they will discuss common chess strategies. The next meeting will be during lunch and recess on Friday for all 9-12 grade students.
