Warriors Go to the Polls and to Prayer! ALA honors Veterans!

Abundant Life Academy students studied the Electoral College and each grade was assigned a state and an amount of electoral representation. More importantly students were praying for our nation, the nations leaders and future leaders. The vote

was close but at ALA Hillary Clinton edged out Donald Trump in a tight race.

ALA students also came together for Chapel and presentations with a current Army Sergeant and an FBI Agent who was previously in the Army. Many clas-

ses continued the discussions in their classes after chapel!

A Sergeant from the US Army spoke to the students about faith & service.

“Warriors of Triumph “ ALA’s New Dance & Flag Team!

A new opportunity for students to use gifts and talents has come to fruition at ALA; a dance and

flag worship team. It will be overseen by Mrs. Apap and Mrs. Morales. Today the team was vis-

ited by professional dance instructor Terri DeSimone where they received instruction and inspiration!
